|                                                                   |                                                                |     |
|-------------------------------------------------------------------|----------------------------------------------------------------|-----|
| 3.2.3                                                             | Confessional Theology .....                                    | 87  |
| 3.2.4                                                             | Christian Moral Philosophy .....                               | 91  |
| 3.3                                                               | Value Theory and Christian Faith .....                         | 95  |
| 3.3.1                                                             | Relational Value Theory .....                                  | 95  |
| 3.3.2                                                             | Faith and Value .....                                          | 100 |
| 3.3.3                                                             | Radical Monotheism .....                                       | 102 |
| 3.4                                                               | Responsibility Ethics .....                                    | 108 |
| 3.4.1                                                             | Three Types of Ethics .....                                    | 108 |
| 3.4.2                                                             | Meaning of Christian Responsibility .....                      | 113 |
|                                                                   |                                                                |     |
| Chapter Four Phenomenology and Jewish Philosophy: Levinas's       |                                                                |     |
|                                                                   | Philosophical Background .....                                 | 121 |
| 4.1                                                               | Introduction .....                                             | 121 |
| 4.2                                                               | Edmund Husserl .....                                           | 121 |
| 4.2.1                                                             | Phenomenology: Its Origin and Idea .....                       | 122 |
| 4.2.2                                                             | The Phenomenological Method .....                              | 124 |
| 4.2.3                                                             | Intentionality and Phenomenology .....                         | 127 |
| 4.2.4                                                             | Husserl and Levinas .....                                      | 129 |
| 4.3                                                               | Martin Heidegger .....                                         | 132 |
| 4.3.1                                                             | The Question of Being and the Priority of Ontology .....       | 133 |
| 4.3.2                                                             | The Interpretation of Dasein .....                             | 136 |
| 4.3.3                                                             | Heidegger and Levinas .....                                    | 140 |
| 4.4                                                               | Franz Rosenzweig .....                                         | 143 |
| 4.4.1                                                             | Against Traditional Metaphysics: Critique of Totality .....    | 144 |
| 4.4.2                                                             | The New Thinking .....                                         | 149 |
| 4.4.3                                                             | Rosenzweig and Levinas .....                                   | 152 |
| 4.5                                                               | Martin Buber .....                                             | 155 |
|                                                                   |                                                                |     |
| Chapter Five Responsibility for the Other: Emmanuel Levinas ..... |                                                                | 159 |
| 5.1                                                               | Introduction .....                                             | 159 |
| 5.2                                                               | Self and the Other: Subjectivity and Alterity .....            | 160 |
| 5.2.1                                                             | Separation and Enjoyment .....                                 | 162 |
| 5.2.2                                                             | Alterity and Transcendence .....                               | 167 |
| 5.2.3                                                             | Subjectivity as Passivity and Substitution .....               | 170 |
| 5.3                                                               | Trace of the Infinite: The Discourse of God and Morality ..... | 179 |
| 5.3.1                                                             | Against Onto-theology .....                                    | 180 |
| 5.3.2                                                             | God's Trace in the Face of the Other .....                     | 182 |
| 5.4                                                               | Justice and Rights .....                                       | 187 |
| 5.4.1                                                             | Justice .....                                                  | 188 |
| 5.4.2                                                             | Rights .....                                                   | 190 |

|                                                               |         |
|---------------------------------------------------------------|---------|
| Chapter Six Metaethical Analysis.....                         | 195     |
