2 Today's Three Major Group Visit Models	23
Established SMA Models.....	24
<i>The DIGMA Model: A Revolutionary Access</i>	
Solution for Follow-Up Visits.....	25
Medical Care Versus Patient Education	
in a DIGMA	30
Increased Productivity	31
Billed Like Office Visits	34
Patients Enter in Different Ways.....	35
DIGMA Subtypes: Heterogeneous, Homogenous,	
and Mixed	36
The Heterogeneous Subtype	36
The Homogeneous Subtype	39
The Mixed Subtype.....	41
DIGMA Tips	42
DIGMAs Are Not for All Types of <i>Patients</i>	43
DIGMAs Are Not for All Types of <i>Physicians</i>	43
Are Certain Physician Personalities Unsuitable?.....	46
Major Strengths and Weaknesses	
of the DIGMA Model.....	48
Key Strengths of DIGMAs	51
Patients Often Reveal Medically Important	
Information	51
Key Weaknesses of DIGMAs	52
Caution! Do Not Combine Models	54
<i>The PSMA Model: A Revolutionary Access Solution</i>	
for Private Physical Examinations.....	55
How I Came to Develop the Physicals	
SMA Model.....	55
Maintaining Access to Both Physicals	
and Follow-Ups.....	56
Overview of the PSMA Model	57
Defining Features That Make the PSMA	
Model Unique	59
Medical Necessity of Physical Examinations	
Is Variable	59
PSMAs Can Include Patients from Many Sources	62
PSMAs Benefit Physicians and Entire Departments	62
PSMAs Have Many Applications	64
Why Are PSMAs So Efficient?.....	65
Three Census Targets for PSMAs	66

PSMA Team Overview	67
The PSMA Behaviorist	68
The PSMA Nursing Personnel	70
The PSMA Documenter	71
Make Documenter Contingent on Filling Groups	73
IT and Billing Support	73
PSMA Subtypes: Heterogeneous, Homogeneous, and Mixed	74
The Homogeneous Subtype	75
The Heterogeneous Subtype	76
The Mixed Subtype	78
PSMA Tips	80
Maximize Productivity and Efficiency	80
The Chart Note Template	81
Confidentiality	82
The PSMA's "Patient Packet"	82
Prescreen Any New Patients	83
Full Sessions Are the Key to Success	84
Major Strengths and Weaknesses of the PSMA Model	85
Strengths of PSMA's	85
Weaknesses of PSMA's	85
Financial Analysis of DIGMA's and PSMA's	85
Financial Benefits of Increased Productivity	90
Assumptions Underlying Financial Analysis	91
Assumptions Explained	92
Savings Explained	96
<i>The CHCC Model: A Continuity Model Following the Same Patients Over Time</i>	<i>98</i>
Staffing and Handling Confidentiality	100
Selecting CHCC Physicians	100
Group Size	101
The Initial Session	101
Flow of Subsequent CHCC Sessions	102
The Initial 90-min Group Segment	102
The Subsequent 60-min Individual Care Segment	104
The Specialty CHCC Subtype	104
CHCCs Versus Specialty CHCCs	105
CHCCs Versus DIGMA's	106
SMA's and Individual Visits	106
Strengths of the CHCC Model and Specialty CHCC Subtype	107

Weaknesses of the CHCC Model and Specialty	
CHCC Subtype.....	107
Billing Concerns	110
Conclusion	111
3 Twelve Key First Steps	113
Step 1: Secure High-Level Administrative Support	
and Staff Buy-In.....	113
Presentations and Business Plan	114
Budget	114
Personnel.....	115
Administrative Support.....	115
Don't Skimp on Support!.....	116
Organizational Consensus.....	117
Step 2: Address Any Billing Issues You Might Have	117
Billing for Group Visits in FFS Systems	118
Billing DIGMAs and PSMA's Versus CHCCs	118
How Some Organizations Actually Bill	
for DIGMAs and PSMA's.....	119
Counseling and Behaviorist's Time	120
Billing in Capitated Systems.....	120
Step 3: Carefully Consider Your Objectives	
in Running a Group Visit	121
SMA's Are Customized to Each Provider's Needs.....	121
Avoid Making the SMA Too Homogeneous	122
Different Models for Different Objectives.....	123
DIGMAs	123
CCHCs	124
PSMA's	124
Consider What a Successful SMA Will Require	
of You.....	124
Believe in Your SMA	126
Consider Your Mix of Group Visits	
and Traditional Visits	126
When Group Visits Are Best.....	126
When Individual Office Visits Are Best.....	127
Step 4: Max-Pack SMA's to Provide as Much	
Medical Care as Possible	127

Deliver as Much Care as Possible	
in the Group Room.....	128
Private Time	128
Step 5: Select the Best Possible Champion.....	129
SMA Champion Qualifications	129
Mental Health Professional as Champion.....	131
Other Options for Champion	131
Consider Having Both a Physician and Mental	
Health Champion	132
Don't Have a Champion?.....	132
Program Coordinator	133
Step 6: Select the Best Possible SMA Treatment Team.....	133
Physicians Must Delegate	135
The Behaviorist.....	135
Nursing Personnel.....	138
The Documenter.....	140
The Care Coordinator	141
The Dedicated Scheduler	142
Support Staff as Part of the Team	144
Step 7: Develop Professional Appearing	
Promotional Materials.....	145
Developing Your Promotional Materials	145
Promoting to Patients.....	146
Designing Your DIGMA Wall Poster.....	146
Program Description Flyers	148
Announcement Letters	150
Invitations	151
Newsletters and Mass Media	151
Step 8: Develop Computer Codes and Scheduling	
Procedures for the SMA Program	152
Step 9: Draft a Confidentiality Release.....	153
Step 10: Address All Physician Concerns.....	155
"I'm Too Busy to Start One".....	155
"What If I Say Something Stupid in Front of 15	
Patients at Once?"	156
"What If I'm Asked a Question That I Don't	
Know the Answer to?"	156
"What If Numerous Patients Want to Speak	
with Me in Private?"	157

“While SMAs Work for Others, They Won’t Work for Me”	158
“My Patients Are Different and Won’t Want a Group”	158
“What If I Lose Control of the Group?”	159
“When I Prescribe Something for One Patient, Others Will Also Demand It”	160
“SMAs Will Strip Away My Easy Patients”	161
“I Have Concerns About Confidentiality”	162
“I Will Still Need Individual Appointments”	162
“This Sounds Like Managed Care Cost-Cutting, Not Increased Quality of Care”	163
“There’s No Way I Can Increase Productivity 300%”	165
“How Much Medical Care Should I Deliver?”	166
“What’s in It for Me?”	168
“Why Do a SMA If My Reward Will Only Be an Increase in Panel Size?”	168
“A Group? I Know How to Run a Group!”	169
What Should Physicians Worry About?	170
Step 11: Champion Gives Presentations and Recruits Providers	170
Step 12: Finalize the Custom Design of the SMA	172
Additional Decisions for PSMA’s	173
“Statement of Work”	174
4 Weeks Ten and Nine Prior to Launching Your Group Visit	175
The Ten-Week Pipeline	175
Key Steps in the Ten-Week Pipeline	176
Place SMA on the Schedules of Entire SMA Team	178
Arrange Clinic Coverage During SMA Sessions	181
Train Provider to Best Word Personal Invitations	181
Physician Selects Snacks, Promotional Materials, and Handouts	184
Determine Target, Minimum, and Maximum Census Levels	184
How Far in Advance Should SMAs be Filled?	188
Order Wall Posters, and Then Have Them Framed and Mounted	189
Order Holders for the SMA Flyers	190

Select, Reserve, and Fully Equip Group and Exam Rooms	191
Obtain List of Patients on Your Panel by Diagnosis	194
5 Weeks Eight, Seven, and Six Prior to Launch	195
Establish SMA Duties of Support Staff and Provide Training	195
Set Up IT Infrastructure	196
Train Support Staff to Begin Scheduling Patients	197
Also Train Call Center to Schedule SMA Patients	199
Schedule Patients and Make Cold Calls as Needed	200
Behaviorist and Nurse/MA Training Sessions	202
Nurse and MA Training Session(s)	203
Behaviorist Training Session(s)	207
Physician Approves All Finalized SMA Documents	210
Order Supplies Needed for the SMA	212
Finalize Chart Note and Billing Protocols	212
Training the Documenter	214
6 Weeks Five, Four, and Three Prior to Launch	217
Print Copies of All SMA Forms	217
Program Flyers	218
Announcement Letters	219
Invitation Letters	221
Start Monitoring Census Weekly	222
Solve System Problems as They Arise	224
Arrange for Healthy Snacks	225
Reassure the Provider and Staff	226
Develop Appropriate Outcome Measures and Reports	228
7 Weeks Two and One Prior to Launch	233
Hold Final Trainings as Needed	233
Assemble Patient Packets	236
Address Any Last Minute Issues	238
Conduct a Comprehensive Walk-Through and Mock DIGMA or PSMA	238
Walk-Through for DIGMAs	239
Walk-Through for PSMA's	241
Why Run a Mock DIGMA or PSMA?	242
Running a Mock DIGMA	244
Behaviorist's Role in the Mock	245

Physician's Role in the Mock	251
Documenter's Role in the Mock	258
Nurse/MA(s) Role in the Mock	259
Care Coordinator's Role in the Mock	260
Champion and Program Coordinator's Roles in the Mock	260
Also Rehearse the Debriefing That Will Occur at First.....	261
Incorporate Any Forms into the Mock.....	261
Include Key Schedulers in the Mock	262
Tips for Mock PSMA's	262
Avoid Making Common Mistakes with Your SMA.....	264
Common Physician's Mistakes	266
Common Behaviorist's Mistakes	269
Pointers and Interesting Mistakes	270
8 The Launch of Your New Group Visit and Thereafter	275
Part 1: Launching Your New DIGMA	276
The Flow of Your First DIGMA Session	276
Pre-Visit Work.....	277
Registering Patients for the DIGMA Session	282
The Step-by-Step Flow of a Typical DIGMA Session	283
Part 2: Launching Your New PSMA.....	284
The Flow of Your First PSMA Session.....	284
PSMA's Have Three Basic Components	288
Part 3: After the Launch of Your New Group Visit Program.....	290
Try to Finish on Time with All Work Done	291
Do Not Reduce Your Census Target at First	292
Have Staff Sit in for a Session	294
All Attendees Must Always Sign the Confidentiality Release	295
Refer Appropriate Patients Back to the SMA	296
Compliment Scheduling Staff When SMA's Are Filled	296
Ensure All SMA Materials Are Replenished as Needed	297
Monitor Prebooking Census Reports	298
Have an Emergency Plan to Fill Sessions.....	299

Reduce No-Shows by Reminding Patients 299

Terminate SMAs That Fail to Meet Census Targets 300

Billing and Compliance Monitors DIGMA
and PSMA Bills..... 302

Promptly Solve Operational Problems..... 303

A “Good Enough SMA” Is Often Better
Than No SMA..... 305

Part 4: Starting Additional SMAs 306

Run a Pilot Study First..... 306

System-Wide Expansion 311

How Rapidly Can You Expand? 312

Champion Can Launch Up to 18 SMAs Per Year..... 314

The First SMAs Are the Hardest..... 316

The “One Facility at a Time” Approach 317

The “Multiple Facilities at a Time” Approach..... 319

The “Champion of Champions” Approach 320

Plan Implementation from the Beginning..... 322

Produce Periodic Productivity Reports..... 323

Part 5: Conclusion..... 325

Index..... 329
