

Contents

1	Introduction and Overview	1
1.1	Introduction to the Book	1
1.1.1	What Is the Book About?	1
1.1.2	Whom Is the Book for?	2
1.2	Budget Stabilization Under the Public Choice Perspective.....	3
1.2.1	The Norm of Budget Balance	3
1.2.2	Boom-Year Savings Under Public Choice Perspective.....	8
1.3	Overview of the Book.....	9
1.3.1	Chapter Plan of the Book.....	9
1.3.2	Contribution and Limitations of the Book	10
	References.....	11

Part I From Economic Stabilization to Budget Stabilization: Theory and Tools

2	From Economic Stabilization to Budget Stabilization	15
2.1	The Stabilization Function of Government: An Overview	15
2.1.1	Economic Cycle	16
2.1.2	Evolution of Theory	17
2.2	Economic Stabilization by Central Government	20
2.2.1	Fiscal Policy for Economic Stability.....	20
2.2.2	Problems with Discretionary Policies	21
2.2.3	Debate on Stabilization Policy	22
2.3	Stabilization at Subnational Level	23
2.3.1	Stabilization Theory Extended to Subnational Level.....	24
2.3.2	Stabilization Practices by State Governments.....	27
2.3.3	Summary: Budget Stabilization	28
	References.....	29

3 Subnational Government Tools for Budget Stabilization.....	31
3.1 Introduction.....	31
3.2 Informal Tool: General Fund Surplus	32
3.2.1 Defining General Fund Surplus.....	32
3.2.2 Data Sources of UUB.....	34
3.2.3 Changing Patterns of General Fund Surplus.....	34
3.3 Formal Tool: Budget Stabilization Fund.....	37
3.3.1 Origin and Evolution.....	37
3.3.2 Defining Budget Stabilization Fund.....	38
3.3.3 Structural Features of BSF Enabling Legislation.....	40
3.3.4 Patterns of BSF Adoption and Diffusion	49
3.3.5 State BSF Data Sources and Balance Levels	50
3.3.6 Changing Patterns of BSF Balance	52
3.4 BSF Structural Features and Balance Levels.....	54
3.4.1 Data and Methodology	55
3.4.2 Empirical Methodology	58
3.4.3 Results and Discussion.....	61
3.4.4 Policy Recommendations.....	71
References.....	72

Part II Boom-Year Savings and Effects in Bust Years

4 Patterns of State Savings with Budget Stabilization Funds and General Fund Surplus.....	77
4.1 Introduction.....	77
4.2 State Policy Instruments for Budget Stabilization.....	78
4.3 Supplementation and Substitution Between Policy Instruments	80
4.4 Data, Methodology, and Model Specification.....	82
4.4.1 State Savings: A Statistical Analysis	82
4.4.2 Empirical Methodology	84
4.4.3 Model Specifications.....	85
4.5 Empirical Results and Discussion.....	89
4.5.1 Sensitivity Tests.....	93
4.6 Conclusion	93
Appendix: An Accounting Framework for Analyzing BSF-GFB Interactions	94
References.....	96
5 Budget Stabilization Fund in Interaction with Balanced Budget Requirements	99
5.1 Introduction.....	99
5.2 Modeling State Saving Behavior	101
5.3 Data and Empirical Methodology	104
5.3.1 Data Sources and Measures	104
5.3.2 Empirical Methodology	106

5.4	Empirical Results and Discussion.....	109
5.4.1	Effects of BSF Adoption and Design Features	109
5.4.2	Effects of Balanced Budget Requirements	113
5.4.3	Effects of Socioeconomic Factors, Tax Structure, and Politics	114
5.5	Conclusion and Policy Implications	115
	References.....	116
6	Effects of Boom-Year Savings Across Three Types of State Expenditures.....	119
6.1	Introduction.....	119
6.2	Three Types of Expenditures to Examine	120
6.3	Propositions.....	121
6.4	Methodology and Data.....	122
6.4.1	Dependent Variables.....	123
6.4.2	Model Specification	126
6.4.3	Heckman Sample Selection Model	128
6.5	Results and Discussion	129
6.5.1	Downturn and Upturn Years.....	132
6.5.2	Effects on Per Capita Expenditures: A Sensitivity Test	136
6.6	More Tests of Effects on Own-Source Expenditure	137
6.6.1	Setup of Estimation	138
6.6.2	Methodology	140
6.6.3	Results and Discussion.....	142
6.6.4	Cyclical Features of BSF and GFS	144
6.6.5	Validity Check: An Alternative Dependent Variable and Results.....	144
6.6.6	Summary	146
6.7	Conclusion	146
	References.....	149
7	Effects of Boom-Year Savings on Bust-Year Budgetary Actions	151
7.1	Introduction.....	151
7.2	Countercyclical Fiscal Capacity	152
7.3	State Reactions to Revenue Shortfalls	154
7.4	Methodology and Model Specification.....	158
7.5	Results and Discussion	160
7.6	Conclusion	166
	Appendix.....	168
	References.....	169

Part III Implications for Budgeting and Financial Management

8 Countercyclical Fiscal Policy and Multiyear Perspective on Budgeting	173
8.1 Introduction	174
8.2 Dissecting the Annual Budget	175
8.2.1 Inadequacies of the Annual Perspective	177
8.3 Typology of Deficits	180
8.3.1 Structural Deficits	180
8.3.2 Managerial Deficits	180
8.3.3 Cyclical Deficits	180
8.4 Annual Budget and Cyclical Deficits	181
8.5 Multiyear Perspective on Budgeting	182
8.5.1 Countercyclical Fiscal Policy and Tools	184
8.5.2 Effects of Fiscal Reserves	186
8.6 Conclusion: Moving Toward Budgeting for Fiscal Stability	187
8.6.1 Policy Recommendations	188
References	189
9 Boom-Year Savings and Budgetary Forecasting	191
9.1 Introduction	191
9.2 Revenue and Expenditure Forecasting: What Is Known?	192
9.2.1 Forecasting	192
9.2.2 Budgetary Institutions	195
9.2.3 Political Business Cycle	197
9.2.4 Budget Stabilization Funds and Forecasting	197
9.3 Empirical Estimation	199
9.3.1 Data and Sample Years	199
9.3.2 Dependent Variable	200
9.3.3 Model Specifications	202
9.3.4 Estimation Strategy	205
9.4 Results and Discussion	205
9.4.1 Effects of Boom-Year Savings	205
9.4.2 Effects of Control Variables	209
9.5 Conclusion	214
References	215
10 Debt as a Countercyclical Fiscal Tool	217
10.1 Introduction	217
10.2 Economic Theories on Debt	219
10.2.1 Debt as a Fiscal Policy	219
10.2.2 Pay-Go Versus Pay-Use Financing of Capital Projects	220
10.2.3 Countercyclical Infrastructure Investment	220
10.2.4 Countercyclical Use of Debt	221

10.3	A Model of Countercyclical Debt Issue	222
10.4	Cyclicality of Debt Issue by States: An Empirical Analysis	225
10.4.1	Test 1: Did Aggregate State Debt Use Go Countercyclical in the Past?	225
10.4.2	Test 2: Did Individual State Debt Use Go Countercyclical?	229
10.4.3	Test 3: Determinants of State Debt Use	233
10.4.4	Empirical Evidence in the Literature	239
10.5	Calibrations of New York State	241
10.5.1	State Debt Limits	241
10.5.2	Variables of Focus	242
10.5.3	Operationalization	242
10.5.4	Simulation Results	243
10.6	Remaining Issues	243
10.7	Policy Suggestion and Conclusion	246
	References	246
	Appendix: Pay-as-You-Go Financing and Its Impact on Capital Outlay Volatility	248
A10.1	Introduction	248
A10.2	Pay-Go Versus Pay-Use Financing: A Brief Survey	249
A10.3	Modeling Pay-Go Financing and Cyclical Stability of Capital Outlay	252
A10.4	Data and Empirical Methodology	257
A10.5	Results and Discussion	264
A10.6	Conclusion and Recommendations	269
	References	270

Part IV Retrospect and Prospect on Budget Stabilization

11	A Framework for Fiscal Policy Coordination and Economic Stability: Countercyclical Transfer for Infrastructure	275
11.1	Introduction	275
11.2	Economic Cycle and Fiscal Policy	276
11.3	Transfer as a Fiscal Institution	278
11.3.1	Procyclicality of Current Transfer Programs	278
11.3.2	Equity of Transfers: From Static to Dynamic	282
11.4	Countercyclical Infrastructure Investment	283
11.4.1	Taylor's Model for Multi-period Construction Projects	284
11.4.2	Two-State Regime Switching	284
11.4.3	Fitting Infrastructure into Federal/State Programs	285
11.5	The Framework	286
11.5.1	Budget Neutral Boom-Year Savings Mechanism	287
11.5.2	National Infrastructure Trust Fund	287

11.5.3	National Antirecession Trust Fund.....	288
11.5.4	CIT Reduction or Exemption in Recession.....	289
11.6	Operation of the Framework	289
11.6.1	Automatic Stabilization Policy and Time-Consistent Policy Rule	289
11.6.2	Infrastructure Stabilization: Formula with Trigger	290
11.6.3	Public Service Stabilization	292
11.6.4	Antirecession Business Tax Reduction	292
11.7	Concluding Remarks	293
	Appendix: A Model of Countercyclical Infrastructure Investment.....	294
	Taylor's Model for Multi-period Construction Projects	294
	Two-State Regime Switching.....	296
	Model Integration.....	298
	References	299
12	Prospects for Budget Stabilization	
	by Subnational Governments.....	301
12.1	Introduction	301
12.2	Effects of Boom-Year Savings During the Great Recession.....	302
12.2.1	Fiscal Landscape of the Great Recession.....	302
12.2.2	Effects of Savings	304
12.3	Defining CCFC and Fiscal Discipline	305
12.3.1	Defining CCFC	305
12.3.2	Fiscal Discipline.....	306
12.4	Related Issues for Future Research	309
12.5	Prospects.....	309
	References	310
	Appendixes.....	311
	General Appendixes	311
	Appendix 1: Enabling Legislation of Budget Stabilization	
	Funds by State.....	311
	Appendix 2: BSF Balance from State CAFRs, in Millions	
	of Current Dollars, FY 1978–FY 2010	334
	Appendix 3: General Fund Surplus (Unreserved Undesignated Balance	
	of the General Fund) from State CAFRs, in Millions	
	of Current Dollars, FY 1979–FY 2010	340
	Author Index	347
	Subject Index.....	351
