Foreign Investments in BRIC Countries

Empirical Evidence from
Multinational Corporations

Band 10

Table of contents

Index of figures.....	XVI
Index of tables	XVIII
Index of abbreviations	XIX
1 Foundation.....	1
1.1 Introduction	1
1.1.1 Motivation and research goals.....	1
1.1.2 Outline of the investigation	5
1.1.3 Scientific positioning.....	6
1.2 Terms and definitions.....	10
1.2.1 Foreign investment projects	10
1.2.2 Multinational corporations	12
1.2.3 Emerging markets.....	13
1.3 Investment decision processes.....	16
1.3.1 Corporate context	16
1.3.1.1 Corporate goals	16
1.3.1.2 Value based management.....	19
1.3.1.3 International management philosophies.....	21
1.3.2 Single phases and decision process success.....	22
1.3.2.1 Initialization	24
1.3.2.2 Approval.....	25
1.3.2.3 Implementation	27
1.3.2.4 Start-up and control.....	29
1.3.2.5 Investment decision process success.....	31
1.3.3 Specific foreign investment decisions.....	33
1.3.3.1 Target market decision.....	34
1.3.3.2 Timing decision.....	35
1.3.3.3 Allocation decision.....	37
1.3.3.4 Coordination decision	39
1.4 The BRIC phenomenon.....	42
1.4.1 Economic prospects.....	43

1.4.2	FDI prospects.....	44
1.4.3	Political power.....	46
1.4.4	Institutional environment.....	47
1.4.5	Emerging market multinationals	50
1.5	Prior research.....	51
1.5.1	Research field characteristics	51
1.5.2	Investment decisions	54
1.5.3	Investment decision processes.....	59
1.5.4	Conclusions	64
2	Theoretical perspectives	68
2.1	Relevant firm-level theories	68
2.1.1	Behavioral decision theory	69
2.1.2	Behavioral theory of foreign investments	71
2.1.3	Agency theory	74
2.1.4	Promotor model	76
2.1.5	Summary.....	79
2.2	Relevant country-level theories.....	80
2.2.1	Cost of doing business abroad and liability of foreignness.....	81
2.2.2	Liability of outsidership	85
2.2.3	Disadvantage of foreignness	86
2.2.4	Summary.....	87
3	Research design	88
3.1	Qualitative research	88
3.1.1	Overview	88
3.1.2	Case study research	93
3.1.3	Selection rationale	97
3.2	Case study design	98
3.2.1	Case company selection	99
3.2.2	Firm-level case design.....	100
3.2.3	Country-level case design.....	102
3.3	Research process	104
3.3.1	Data collection.....	105

3.3.1.1	Firm-level data	113
3.3.1.2	Country-level data	116
3.3.2	Data analysis	118
3.3.3	Review of the research process	123
4	Empirical results	127
4.1	Firm-level cases	127
4.1.1	GasCo Case	127
4.1.1.1	Company profile	127
4.1.1.2	Investment profiles	127
4.1.1.3	Foreign investment decision process	129
4.1.1.3.1	Initialization	129
4.1.1.3.2	Approval	135
4.1.1.3.3	Implementation	140
4.1.1.3.4	Start-up and control	146
4.1.2	TechCo Case	149
4.1.2.1	Company profile	149
4.1.2.2	Investment profiles	150
4.1.2.3	Foreign investment decision process	151
4.1.2.3.1	Initialization	151
4.1.2.3.2	Approval	157
4.1.2.3.3	Implementation	160
4.1.2.3.4	Start-up and control	164
4.1.3	Cross-company analysis	169
4.1.3.1	Phase-specific analysis	169
4.1.3.1.1	Initialization	170
4.1.3.1.2	Approval	175
4.1.3.1.3	Implementation	180
4.1.3.1.4	Start-up and control	184
4.1.3.2	Discussion	187
4.1.3.2.1	Decision process speed	188
4.1.3.2.2	Decision process comprehensiveness	189
4.1.3.2.3	Conclusion	191

4.2	Country-level cases	195
4.2.1	Brazil case	195
4.2.1.1	Political-economic characteristics.....	195
4.2.1.1.1	Domestic economy	195
4.2.1.1.2	Foreign investment projects.....	198
4.2.1.1.3	Infrastructure.....	200
4.2.1.2	Socio-cultural characteristics	202
4.2.1.2.1	Education	202
4.2.1.2.2	Society	203
4.2.1.2.3	Informal networks.....	204
4.2.1.3	Summary	205
4.2.2	Russia case.....	206
4.2.2.1	Political-economic characteristics.....	206
4.2.2.1.1	Domestic economy	206
4.2.2.1.2	Foreign investment projects.....	209
4.2.2.1.3	Infrastructure.....	212
4.2.2.2	Socio-cultural characteristics	214
4.2.2.2.1	Education	214
4.2.2.2.2	Society	215
4.2.2.2.3	Informal networks.....	217
4.2.2.3	Summary	219
4.2.3	India case.....	219
4.2.3.1	Political-economic characteristics.....	219
4.2.3.1.1	Domestic economy	219
4.2.3.1.2	Foreign investment projects.....	221
4.2.3.1.3	Infrastructure.....	224
4.2.3.2	Socio-cultural characteristics	227
4.2.3.2.1	Education	227
4.2.3.2.2	Society	229
4.2.3.2.3	Informal networks.....	231
4.2.3.3	Summary	233
4.2.4	China case.....	234

4.2.4.1	Political-economic characteristics.....	234
4.2.4.1.1	Domestic economy	234
4.2.4.1.2	Foreign investment projects.....	237
4.2.4.1.3	Infrastructure.....	241
4.2.4.2	Socio-cultural characteristics	242
4.2.4.2.1	Education	242
4.2.4.2.2	Society	245
4.2.4.2.3	Informal networks.....	250
4.2.4.3	Summary	253
4.2.5	Cross-country discussion.....	253
4.2.5.1	Political-economic characteristics.....	253
4.2.5.2	Socio-cultural characteristics	256
4.3	Cross-level synthesis	260
4.3.1	Overview	260
4.3.2	Phase-specific comparison	261
4.3.2.1	Initialization	261
4.3.2.2	Approval.....	263
4.3.2.3	Implementation	264
4.3.2.4	Start-up and control.....	266
5	Conclusions.....	270
5.1	Main results	270
5.2	Managerial implications.....	275
5.3	Limitations and perspectives	276
	Appendix A: Prior Research.....	281
	Appendix B: Kick-off interview questions.....	289
	Appendix C: List of interviews	300
	List of references	301
