## Contents

Editor's preface	7
Acknowledgements	9
Abbreviations	17
List of Figures	21
List of Tables	23
List of Boxes	24
List of Appendices	25
<b>1 Introduction</b>	<b>26</b>
1.1 Good governance as an additional element for water resources management	26
1.2 The European Water Framework Directive between role model and water policy targets of the European Union Candidate Countries	27
1.3 Turkey's water governance at crossroads	28
1.4 Current state of research, main aim and key questions	29
1.5 Methodological background, data and information	30
1.6 Thesis structure	32

*Contents*

<b>I</b>	<b>Theoretical background of good water governance in the context of the European Water Framework Directive</b>	<b>34</b>
<b>2</b>	<b>Good governance: development, concepts and interpretations</b>	<b>35</b>
2.1	Governance: background and development	36
2.2	Good governance: development, focus and state of research	39
2.3	Interpretations of (good) governance by international and supranational organizations	44
2.4	Core elements of good governance	53
<b>3</b>	<b>Water resources management: international discourse and major approaches</b>	<b>61</b>
3.1	Sustainability in the scope of water resources	61
3.2	Assessment of the development of the international water policy	71
3.2.1	The international water policy discourse since the 1970s	72
3.2.2	A critical review of the international water policy	81
3.3	The approach of Integrated Water Resources Management (IWRM)	83
3.3.1	Water management as a holistic task	84
3.3.2	IWRM's problem-solving abilities	88
3.3.3	A complementary approach: Adaptive Water Management	88
<b>4.</b>	<b>The Water Framework Directive of the European Union</b>	<b>91</b>
4.1	The development of the European Water Framework Directive	92
4.2	Principles and policies of the European Water Framework Directive	95

4.3	Selected environmental objectives and requirements of the Water Framework Directive	100
4.4	River Basin Management Plans according to the Water Framework Directive	103
4.5	Participatory Elements of the Water Framework Directive	106
4.6	Requirements and assistances for European Union Candidate Countries in the water sector harmonization process	108
4.6.1	General pre-accession requirements	109
4.6.2	Relevant pre-accession implementation mechanisms and instruments in the water sector	110
<b>5</b>	<b>Good water governance</b>	<b>117</b>
5.1	Good water governance	117
5.1.1	Dimensions and core elements of good water governance	118
5.1.2	Learn by doing: best-practice example and water tariffs	123
5.1.3	Summary and review	128
5.2	Good water governance and the European Water Framework Directive	130
<b>6</b>	<b>Interim conclusion</b>	<b>137</b>
<b>II</b>	<b>The impact of the European Water Framework Directive on Turkey's water governance and implications for good water governance</b>	<b>139</b>
<b>7</b>	<b>Empirical research design and case study selection</b>	<b>141</b>
<b>8</b>	<b>Turkey's socio-economic background and challenges</b>	<b>145</b>
8.1	Political and socio-economic structure, social movements and sustainability	146
8.1.1	Political structure	146

*Contents*

8.1.2	Economic and social structure	149
8.1.3	The role of the social movements and environmental non-governmental organizations	157
8.1.4	Sustainable development	159
8.2	Turkey and the European Union: summary of a double-edged relationship	164
8.3	Good governance in Turkey: some empirical evidence	170
<b>9</b>	<b>Turkey's water resources</b>	<b>173</b>
9.1	Occurrence, use and prospect of Turkish water resources	173
9.1.1	Turkey's water budget	174
9.1.2	Water consumption and use patterns of major user groups	178
9.2	Condition and sustainability of Turkey's water resources	187
<b>10</b>	<b>The institutional structure of Turkey's water governance: legislation, actors, integration</b>	<b>191</b>
10.1	Turkey's water framework legislation	191
10.2	Actors and organization of Turkey's water sector	199
10.2.1	Governmental actors in the water sector	200
10.2.2	Non-governmental actors in the water sector	207
10.3	International water policy cooperation and Turkey's transboundary water management	210
10.4	Public environmental expenditure, revenues and some evidence on water tariffs in Turkey	216
10.5	Assessment and conclusions of the water sector re-organization on the basis of good water governance	222
<b>11</b>	<b>Practical evidence of the implementation of the Water Framework Directive into Turkey's water governance</b>	<b>227</b>
11.1	The alignment process of the Water Framework Directive in Turkey	227

11.2	The introduction of River Basin Management Plans in Turkey: examples	234
11.2.1	River Basin Protection Action Plans	235
11.2.2	The preparation of River Basin Management Plans	236
<b>12</b>	<b>The Water Framework Directive as a driver for good water governance in Turkey: conclusions, synthesis and discussion</b>	<b>241</b>
12.1	Summary of Turkey's (good) water governance performance and areas of improvements	242
12.2	Final remarks and outlook	249
	Bibliography	253
	Appendices	267
