Series Foreword  ix  
Acknowledgments xi  

1 A Minimal Methodology 1  
   The Study of Materials in Educational Research 5  
   Book Overview: Methodology and Empirical Work 10  
   Spatial Imaginaries 26  
   The Methodology of the Materiality of Learning – 
   Lesson 1: Minimal Methodology 27  

2 Components and Opponents 30  
   Constructing the Research Object and Research Field 32  
   Femtedit as an Enrollment of Heterogeneous Components 34  
   Association of Otherwise Disparate Parts 36  
   Trials of Strength in the Femtedit Design 39  
   Classic-ANT and the Network 52  
   Conclusion: The Construction of a Stable Technology 58  
   The Methodology of the Materiality of Learning – 
   Lesson 2: Defining Materiality 60  

3 Forms of Technology 62  
   A Second Examination of Femtedit 62  
   Critiques of the Network Metaphor 66  
   Relations and Spaces 69  
   Fluid Patterns of Relations 77  
   Multiplicity 81  
   Conclusion: Spatial Formations and Flexible, Multiple Technology 85  
   The Methodology of the Materiality of Learning – 
   Lesson 3: Spatiality 87
# Table of Contents

4 Forms of Knowledge 89

- The Quest for Resemblance 92
- Classroom Jumping Demonstration: The Standard Measurement and Resemblance 94
- Regional Space 97
- Boyle’s Experiment: The Material Technology 100
- Representational Knowledge 102
- The Bed-Loft Inaugural Ceremony: Resonance Space 104
- Boyle’s Experiment: Literary and Social Technologies 107
- Communal Knowledge 108
- Tvia’s Twin Towers: Fluid Space in Femtedit 112
- The Pakistani Song: What Form of Knowledge? 118
- Liquid Knowledge 125
- Conclusion: Knowledge and Learning 130
- The Methodology of the Materiality of Learning – Lesson 4: Knowledge 135

5 Forms of Presence 137

- Blackboard and Songs, Regions and Collectives 140
- Regional Presence in the Classroom 144
- Authority and Subjects 148
- Restlessness and One-to-One Relationships in the Virtual Environment 154
- Separating with Discontinuities 161
- Fluid Authority 166
- The Power of Interactivity, the Power of Fluidity 168
- Conclusion: Posthumanist Presence 170
- The Methodology of the Materiality of Learning – Lesson 5: Presence 175

6 The Materiality of Learning 177

- PISA and the Multiplicity of Educational Practice 182
- Comparing Technologies 189
- The Reality, Reimagining, and Rearranging of Educational Practice 191
- The Methodology of the Materiality of Learning – Lesson 6: The Materiality of Learning 193
