

Contents

Part I The Bonin Islands

- 1 What's the Bonin Islands?** 3
Kazuto Kawakami

Part II Impacts of Invasive Alien Species

- 2 Impacts of Invasive Alien Species on Native Ecosystems
on the Bonin Islands.....** 11
Naoki Kachi
- 3 The Cause of Mollusk Decline on the Ogasawara Islands** 15
Isamu Okochi, Hiroki Sato, and Takashi Ohbayashi
- 4 Rapid Decline of Endemic Snails in the Ogasawara Islands,
Western Pacific Ocean** 27
Takashi Ohbayashi, Isamu Okochi, Hiroki Sato, Tsuyoshi Ono, and Satoshi Chiba
- 5 Food Habit of *Platydemus manokwari* De Beauchamp,
1962 (Tricladida: Terricola: Rhynchodemidae), known
as a Predatory Flatworm of Land Snails
in the Ogasawara (Bonin) Islands, Japan** 35
Takashi Ohbayashi, Isamu Okochi, Hiroki Sato, and Tsuyoshi Ono
- 6 High Predation Pressure by an Introduced Flatworm
on Land Snails on the Oceanic Ogasawara Islands** 41
Shinji Sugiura, Isamu Okochi, and Hisashi Tamada
- 7 Potential Impacts of the Invasive Flatworm *Platydemus*
manokwari on Arboreal Snails** 45
Shinji Sugiura and Yuichi Yamaura
- 8 Impacts of Predation by the Invasive Black
Rat *Rattus rattus* on the Bulwer's Petrel *Bulweria*
bulwerii in the Bonin Islands, Japan.....** 51
Kazuto Kawakami, Kazuo Horikoshi, Hajime Suzuki, and Tetsuro Sasaki
- 9 Morphological and Ecological Shifts in a Land Snail
Caused by the Impact of an Introduced Predator** 57
Satoshi Chiba

10 Bird Predation by Domestic Cats on Hahajima Island, Bonin Islands, Japan.....	65
Kazuto Kawakami and Hiroyoshi Higuchi	
11 Feral Cat Predation on Seabirds on Hahajima, the Bonin Islands, Southern Japan	67
Kazuto Kawakami and Masaki Fujita	
12 High Population Densities of an Exotic Lizard, <i>Anolis carolinensis</i> and its Possible Role as a Pollinator in the Ogasawara Islands.....	71
Isamu Okochi, Mayumi Yoshimura, Tetsuto Abe, and Hajime Suzuki	
13 Why Have Endemic Pollinators Declined on the Ogasawara Islands?.....	75
Tetsuto Abe, Shun'ichi Makino, and Isamu Okochi	
14 Vegetation Changes Between 1978, 1991 and 2003 in the Nakoudojima Island that had been Disturbed by Feral Goats	85
Kenji Hata, Jun-Ichirou Suzuki, and Naoki Kachi	
15 Seed and Seedling Demography of Invasive and Native Trees of Subtropical Pacific Islands.....	93
Naoko Yamashita, Nobuyuki Tanaka, Yoshio Hoshi, Hiromichi Kushima, and Koichi Kamo	
16 Effects of an Alien Shrub Species, <i>Leucaena leucocephala</i>, on Establishment of Native Mid-Successional Tree Species after Disturbance in the National Park in the Chichijima Island, a Subtropical Oceanic Island	103
Kenji Hata, Jun-Ichirou Suzuki, and Naoki Kachi	
Part III Countermeasure Against Invasive Species	
17 Management of Invasive Alien Species in the Bonin Islands	113
Shun'ichi Makino	
18 Species Diversity and Conservation of <i>Mandarina</i>, an Endemic Land Snail of the Ogasawara Islands	117
Satoshi Chiba	
19 Hot Water Tolerance of Soil Animals: Utility of Hot Water Immersion in Preventing Invasions of Alien Soil Animals	127
Shinji Sugiura	
20 Endemic Insects in the Ogasawara Islands: Negative Impacts of Alien Species and a Potential Mitigation Strategy.....	133
Haruki Karube	
21 A Decrease in Endemic Odonates in the Ogasawara Islands, Japan	139
Mayumi Yoshimura and Isamu Okochi	
22 Ecology and Control of the Green Anole (<i>Anolis carolinensis</i>), an Invasive Alien Species on the Ogasawara Islands.....	145
Mitsuhiko Toda, Hiroo Takahashi, Naomi Nakagawa, and Naozumi Sukigara	

23	Eradication and Ecosystem Impacts of Rats in the Ogasawara Islands	153
	Takuma Hashimoto	
24	Eradication of the Invasive Tree Species <i>Bischofia javanica</i> and Restoration of Native Forests on the Ogasawara Islands	161
	Nobuyuki Tanaka, Keita Fukasawa, Kayo Otsu, Emi Noguchi, and Fumito Koike	
25	Predicting Future Invasion of an Invasive Alien Tree in a Japanese Oceanic Island by Process-Based Statistical Models Using Recent Distribution Maps.	173
	Keita Fukasawa, Fumito Koike, Nobuyuki Tanaka, and Kayo Otsu	
26	Beetle Responses to Artificial Gaps in an Oceanic Island Forest: Implications for Invasive Tree Management to Conserve Endemic Species Diversity	185
	Shinji Sugiura, Yuichi Yamaura, Tomoyuki Tsuru, Hideaki Goto, Motohiro Hasegawa, Hiroshi Makihara, and Shun'ichi Makino	
Part IV Implications for Island Ecosystem Management		
27	Reconstruction of the Ecosystem in the Bonin Islands	205
	Kazuto Kawakami
