Epistemic Meaning

A Crosslinguistic and Functional-Cognitive Study

Bearbeitet von
Kasper Boye

1. Auflage 2012. Buch. XVII, 373 S. Hardcover
ISBN 978 3 11 020438 4
Gewicht: 713 g

Weitere Fachgebiete > Literatur, Sprache > Sprachwissenschaften Allgemein > Semantik & Pragmatik

DIE FACHBUCHHANDLUNG

Die Online-Fachbuchhandlung beck-shop.de ist spezialisiert auf Fachbücher, insbesondere Recht, Steuern und Wirtschaft. Im Sortiment finden Sie alle Medien (Bücher, Zeitschriften, CDs, eBooks, etc.) aller Verlage. Ergänzt wird das Programm durch Services wie Neuerscheinungsdienst oder Zusammenstellungen von Büchern zu Sonderpreisen. Der Shop führt mehr als 8 Millionen Produkte.

Contents

List of figures xii
List of tables xiv
List of abbreviations xv

1. Preliminaries 1
1.1. Introduction 1
1.2. Overview of the book 6
1.3. Theoretical basis 7
1.3.1. Central assumptions 7
1.3.2. Crosslinguistic descriptive categories 8
1.4. Empirical basis 11
1.5. The term *epistemic* in linguistics and philosophy 15
1.6. Epistemic meanings and notions 18
1.6.1. Evidential meanings and notions 19
1.6.2. Epistemic modal meanings and notions 20
1.6.3. Non-epistemic meanings and notions occasionally considered epistemic in the literature 31
1.6.4. Overview of epistemic meanings and notions . . 35
1.7. Precursors of the category of epistemicity. 36
1.7.1. Epistemic meaning variants 37
1.7.2. Epistemic stance 39
1.7.3. Language-specific groups of epistemic expressions 40
1.7.4. The descriptive category of status 41
1.7.5. Epistemic scales 43
1.8. Summary of Chapter 1 47

2. Epistemic systems 48
2.1. Introduction 48
2.1.1. Morphosyntactic systems 48
2.1.2. The argument 49
2.1.3. Overview of Chapter 2 52
2.2. General epistemic systems across languages 52

2.2.1. General epistemic systems in American languages . . . 53
2.2.2. General epistemic systems in non-American languages . . . 73
2.2.3. Evidential subsystems with epistemic modal extensions as general epistemic systems . . . 88
2.2.4. Other possible instances of general epistemic systems . . . 89
2.3. Epistemic subsystems across languages . . . 95
2.3.1. Evidential systems across languages . . . 95
2.3.2. Epistemic modal systems across languages . . . 98
2.3.3. Epistemic extensions of narrow-sense modal systems . . . 107
2.4. Several epistemic systems in one and the same language . . . 109
2.5. Epistemic expressions as a universal phenomenon . . . 114
2.5.1. Scattered coding of epistemic meaning . . . 115
2.5.2. Lexical coding of epistemic meaning . . . 122
2.6. Summary of Chapter 2 . . . 124

3. A semantic map of epistemic expressions . . . 126
3.1. Introduction . . . 126
3.1.1. Semantic mapping . . . 126
3.1.2. The argument . . . 128
3.1.3. Overview of Chapter 3 . . . 129
3.2. The map . . . 130
3.3. The crosslinguistic significance of the notional distinctions found in the map . . . 131
3.3.1. The distinction between direct and indirect justification . . . 131
3.3.2. The distinction between full, partial and neutral support . . . 133
3.3.3. The distinction between evidential and epistemic modal notions . . . 136
3.4. The crosslinguistic significance of the connecting lines found in the map . . . 137
3.4.1. Connecting line 1: The link between direct and indirect justification . . . 138
3.4.2. Connecting line 2: The link between full and partial support . . . 140

3.4.3. Connecting line 3: The link between partial and neutral support 144
3.4.4. Connecting line 4: The link between direct justification and full support 145
3.4.5. Connecting line 5: The link between indirect justification and partial support 149
3.5. How to falsify the proposed semantic map of epistemic expressions 154
3.6. The structure of the semantic map of epistemic expressions 158
3.6.1. The epistemic modal scale 160
3.6.2. The evidential reliability scale 163
3.6.3. The relation between the epistemic modal scale and the evidential scale 166
3.7. Related semantic maps 167
3.7.1. Anderson's (1986) map of evidentiality 167
3.7.2. Van der Auwera and Plungian's (1998) map of narrow-sense modality 169
3.8. The asymmetry of the semantic map with respect to coding potential 172
3.8.1. Zero-coding potential 174
3.8.2. Dependencies between zero-coding potentials . . 179
3.9. Summary of Chapter 3 181

4. Epistemic meaning and scope 183
4.1. Introduction 183
4.1.1. Scope 183
4.1.2. The argument 184
4.1.3. Overview of Chapter 4 185
4.2. The scope of epistemic meaning 185
4.2.1. Speech acts, propositions and states-of-affairs . . 187
4.2.2. Epistemic meaning and the proposition 195
4.3. The distribution of epistemic expressions among different clause types 199
4.3.1. Distribution among different types of independent clauses 199
4.3.2. Distribution among different types of dependent clauses 206
4.3.3. Epistemic expressions disambiguate polyfunctional clauses as propositional 213

4.3.4. Propositional clauses disambiguate polyfunctional expressions as epistemic 215
4.4. The position of grammatical epistemic expressions in a universal ordering of grammatical expressions 219
4.4.1. A universal ordering of grammatical tense, epistemic and illocutionary expressions 221
4.4.2. The ordering of grammatical epistemic expressions relative to other grammatical expressions 222
4.4.3. The ordering of co-occurring grammatical epistemic expressions relative to each other 236
4.4.4. The ordering of grammatical epistemic expressions and the propositional scope of epistemic meanings 244
4.5. Less than one propositional expression per epistemic expression 249
4.5.1. Epistemic expressions without propositional expressions 250
4.5.2. More than one epistemic expression per propositional expression 257
4.6. Summary of Chapter 4 275

5. A functional-cognitive analysis of epistemic meaning and the proposition 276
5.1. Introduction 276
5.1.1. Definitions of epistemic, evidential and epistemic modal meaning. 276
5.1.2. Overview of Chapter 5 277
5.2. A functional-cognitive analysis of the proposition 277
5.2.1. The proposition as a referring meaning unit 278
5.2.2. The proposition as a linguistic prompt to evoke a Langackerian process construed as referring . . 279
5.2.3. Arguments in support of the proposed functional-cognitive analysis. 282
5.2.4. Reference and truth value. 291
5.3. A functional-cognitive analysis of epistemic meaning . . 291
5.3.1. Epistemic meaning as a linguistic prompt to evoke a conceptual justificatory-support structure 291
5.3.2. Epistemic meaning as a survival skill 294

5.4. Relating the functional-cognitive analysis to the crosslinguistic data 297
5.4.1. Conceptual coherence and epistemic systems . . 298
5.4.2. Conceptual coherence and the semantic map of epistemic expressions 300
5.4.3. Conceptual dependence and the propositional scope of epistemic meanings 303
5.4.4. Functional dependence and propositions without epistemic expressions 308
5.5. Summary 315

6 Conclusion 317
